

TRADESMATE SET

HARNES / ADJUSTABLE LANYARD SET

HLT17LX5

The Tradesmate Set is a practical solution for work carried out on elevated work platforms. With an integrated adjustable webbing lanyard and shock absorber on the rear D, the Tradesmate Set makes it easy to stay secure on EWP's or any other anchorage point.

The harness is fully adjustable with quick connect buckles for ease of use and fall indicators make pre-inspection simple. Suitable for MEWP work, roofing, construction work, scaffolding and general industrial work.

RATING: 140kg (Harness)

LIFESPAN: Up to 10 Years
