

ROOFER S KIT

MULTI-PURPOSE HEIGHT SAFETY KIT

SKB101S

The ZERO® RooferS is a versatile kit for workers who carry out general roof or plant maintenance where a permanent safety line system is not in place.

The Utility ZERO® harness provides fall arrest support with front and back attachment points and the Ventura rope line has a built-in ZERO® energy absorption system and self-locking rope grab which can adjust to any length for ease of access. The kit is completed with a webbing sling, carabiner and packaged in our ZERO® backpack.

RATING: 140kg (Harness) / 140kg (Rope line)
